

PRESIDENT: The motion carried. The amendment is adopted. Senator Barnett.

SENATOR BARNETT: I thought they told me they were voting on that resolution again.

PRESIDENT: The amendment is adopted.

SENATOR BARNETT: I would be happy to have anybody's name added to it. It doesn't make any difference. I don't know what you're talking about. Didn't we adopt the resolution? Yes, then plus the fact that if anybody else wants their name added to it, they can do that. Especially the ones that aren't here.

PRESIDENT: We have a bill to introduce, a request. Could we get on this bill please? Mr. Clerk, on the bill.

CLERK: Mr. President, I move for the introduction of the attached bill. Signed Senator Stoney. Read Request No. 801.

PRESIDENT: Senator Stoney.

SENATOR STONEY: Mr. President and members of the Legislature. The impetus for this bill comes from the United States Department of Justice Immigration and Naturalization Service. The thrust is this to preserve employment opportunities for United States citizens and legal residents by making it unlawful for Nebraska employers to knowingly hire illegal aliens. The state of Kansas presently has such a law, other neighboring states are presently considering such laws. The feeling being if laws are enacted in these states, these illegal aliens will then come north to the state of Nebraska. I think the problem could become serious when we consider the relatively high rate of unemployment for our residents in the state at the present time. So I would move that you help me in introducing this bill. Thank you.

PRESIDENT: Any further discussion? This also requires 30 votes. Record your vote. Record.

CLERK: 33 ayes on motion to introduce. Mr. President, a new bill, LB 507 introduced by the Government, Military, and Veterans Affairs Committee and signed by some of the members thereof. Read LB 507.

PRESIDENT: We have a Committee on Committee report.

CLERK: Mr. President, the Committee on Committees report is found on page 589, 592, 593 of the Legislative Journal.

PRESIDENT: Senator John Savage.

SENATOR SAVAGE: Mr. President, the Committee on Committees reports favorably on 23 appointments and reappointments of Governor J. J. Exon that require confirmation by the Legislature and found on pages 589, 590, 591, 592, 593, and 594 of the Journal. There was no opposition to any of these appointments or reappointments which were held at three different meetings of the committee. I move approval of the entire group for confirmation.

PRESIDENT: Any further discussion? The question is the adoption of the Committee on Committee report. Record your
